5.1 Questions to VISIT FLORIDA

Interested parties may submit written questions up until 5PM EST of the deadline noted in the schedule. Please submit all questions to contracts@visitflorida.org. Please include "UK & Ireland RFP" in the subject line and be as clear and specific as possible when wording the question. Additionally, please be sure to include contact information – Company Name, Name, Title, Telephone, and E-mail address. VISIT FLORIDA may contact the agency to ensure clarity in VISIT FLORIDA's response based on the question.

VISIT FLORIDA will respond to questions received by the deadline listed in the schedule and will post a copy of each question and response at [THIS LINK](#).

The question and answer process is "blind." The identity of the person and/or agency submitting a question will be kept confidential while the RFP is ongoing (even from VISIT FLORIDA team members) and will be known only to VISIT FLORIDA's Procurement Officer who will work with the VISIT FLORIDA team to gather information and post answers.

5.2 Proposal Submission Process

Proposals must be submitted no later than close of business (5 PM EST) on the date specified in the schedule above. Proposals submitted after that deadline may be rejected and not considered. All proposals should be submitted electronically via Box. [Click here to upload.](#)

Please note, agencies submitting confidential information which is exempt from Florida's Public Records Act should mark the information confidential at the time of submission and should submit two copies, a clean copy and a copy with the confidential information redacted (for more information, please review the section on confidentiality and public records at the end of this document).

VISIT FLORIDA will notify each agency that their proposal has been received via email within two business days. Please be sure to include an email address with your proposal and identify the name of your agency in the comment box.

5.3 Initial Evaluation, Presentations, Negotiations, Award and Contracting

VISIT FLORIDA will evaluate written proposals and notify vendors selected for presentations. VISIT FLORIDA's procurement officer may contact vendors during this period to obtain further clarification to assist with the initial evaluation. Vendors which were not selected to proceed to the presentation phase will be notified at this stage.

The proposed account team lead must attend presentations. VISIT FLORIDA will provide preparation instructions and a presentation agenda ahead of the presentation. Agencies may be asked to complete an exercise or sample assignment in advance of the presentation.

VISIT FLORIDA will conduct final negotiations with one or more vendors, select one or more vendors for an award, and execute a contract.

6.0 Proposal Format and Content

To ensure timely and fair consideration of your response, respondents are being asked to adhere to a specific response format, which is described in the following table. 9.0 RFP Terms and Conditions

VISIT FLORIDA may adjust the specifications of this RFP throughout the process. This RFP does not constitute an offer by VISIT FLORIDA to contract, but rather represents a definition of the specific services being sought and invites agencies to submit proposals. Issuance of this RFP, the agencies' preparation and submission of proposals and the subsequent receipt and evaluation of any such proposals by VISIT FLORIDA does not commit VISIT FLORIDA to award a contract to any agency. Agencies, by submitting a proposal, agree that any cost incurred by it in responding to this RFP or participating in the RFP process, is to be borne solely by the agency. The issuance of this document and the receipt of information in response to this RFP will not in any way cause VISIT FLORIDA to incur liability or obligation to respondents, financial or otherwise, and VISIT FLORIDA will not reimburse or in any way compensate respondents for expenses incurred in connection with their response to this RFP.

VISIT FLORIDA shall incur no obligations or liability whatsoever to anyone by reason of the issuance of this RFP or the actions of anyone relative thereto. Only the execution of a written agreement with an agency related to one or more services described herein will obligate VISIT FLORIDA and then only in accordance with the terms and conditions contained in such agreement. Respondents understand and agree that submission of a proposal and/or participation in the RFP does not create a contractual relationship between any Respondent and VISIT FLORIDA.

Proposals, and any subsequent material submitted, will be considered complete and binding offers by the proposing agencies to contract for a period ending on the earlier of ninety (90) calendar days from their submission and the date the contract(s) is executed with the selected agency relating to the services covered by this RFP. No action or communication of VISIT FLORIDA other than the execution of a written contract shall constitute acceptance of such offer, and even then shall legally obligate VISIT FLORIDA only in accordance with the terms and conditions contained in the written contract.

VISIT FLORIDA reserves the right to enter into discussions and/or negotiations with more than one agency at the same time. VISIT FLORIDA may contract with one or more agencies at the same time, with no agencies, or with any party who did not submit a proposal, should it determine that such actions are in its best interest. VISIT FLORIDA reserves the right to reject any or all proposals in response to this RFP, waive any informality or irregularity in any proposal received and to award a contract to the agency or agencies of its choosing without explanation. VISIT FLORIDA will notify unsuccessful participants upon execution of the contract(s) awarded as a result of this RFP.

Interested respondents must direct any and all communications relating to this RFP to:

Craig Thomas, General Counsel
contractsteam@visitflorida.org
Subject Line: UK & Ireland RFP

Mr. Thomas is the sole contact for agencies. All other VISIT FLORIDA team members, including

evaluators, are prohibited from discussing the RFP with agencies outside of the scheduled process.

Proposals must state that the agency will agree to execute a contract containing VISIT FLORIDA's standard terms and conditions which have been published alongside this RFP (and may be reviewed [here](#)), or include a mark-up of those terms with specific language changes that the agency would require in order to execute a contract. All proposed changes should include explanations of why they are necessary. Many of the terms contained in VISIT FLORIDA's standard terms and conditions are either non-negotiable or are required by special provisions of Florida law that apply to VISIT FLORIDA. Requiring changes to the published terms may therefore place a proposal at a significant disadvantage.

Confidentiality and Public Records: VISIT FLORIDA is subject to Chapter 119, Florida Statutes, Florida's Public Records Act. That means all records sent or received by VISIT FLORIDA in connection with its business must be provided to the public upon request unless specifically made confidential or exempt from such requirement [by Florida law](#). This requirement includes materials you submit to VISIT FLORIDA in connection with this RFP. Vendors may mark information submitted to VISIT FLORIDA that qualifies as a trade secret or some other exemption under Florida law as "CONFIDENTIAL." Vendors should only mark information "CONFIDENTIAL" if they believe that it satisfies a specific legal exemption to Florida's Public Records Act and should state the specific legal exemption relied upon. Vendors should ensure that confidential information is appropriately marked at the time it is initially delivered to VISIT FLORIDA, as failure to do so may destroy the confidential nature of the information. Vendors submitting proposals containing confidential information should submit two versions, a clean version for VISIT FLORIDA review and a version with all the confidential information redacted. Should VISIT FLORIDA receive a public records request once the RFP has concluded and VISIT FLORIDA has issued an award, it will provide the redacted version and notify the vendor (note: VISIT FLORIDA will not disclose RFP materials while the RFP is ongoing). Should the requester dispute the applicability of the asserted public records exemption, VISIT FLORIDA will notify the vendor which then must take the appropriate course of legal action if it wishes to continue to assert the claimed exemption. For more information on Florida public records laws generally, see the "Sunshine Manual" here: (www.myfloridalegal.com/sun.nsf/sunmanual). Finally, please note that the final contract terms awarded to the winning vendor or vendors will be a public record and will be posted on the VISITFLORIDA.org website as required by law and VISIT FLORIDA's standard contract terms (which must be agreed to upon submission of a proposal).
